## **METHOD**

*The method of M° Renzo Ruggieri is based on direct lessons with the student which guarantees better adaptability, better chances of identifying / solving individual defects and strengthening personal motivations. In synthesis, better results are achieved in less time. The courses follow modern trends without ever losing professionalism, in fact, the programs are original with a lot of teaching material developed by M° Ruggieri. A Certificate / Diploma is issued for each passing or final exam.*

## **CARATTERISTICHE**

- **BASIC COURSES** (about 2 years)  
Accordion / Keyboards / Piano  
*They have the objective of bringing the student to the basic knowledge of music, of his instrument and to the realization of a basic repertoire.*
- **INTERMEDIATE COURSE** (about 2 years)  
Accordion / Keyboards / Piano  
*They have the aim of expanding musical / instrumental knowledge by touching the different musical genres and by studying a dedicated repertoire.*
- **ADVANCED COURSES** (various levels)  
Jazz / Popular / Arrangement / Composition / Computer Music / Electronic Accordion / Virtuoso Accordion.  
*Students focus their objectives in a single direction by deepening theoretical, instrumental, historiographic notions and fine-tuning their artistic projects.*
